Statement of **JOHN LAIRD**, Candidate for
State Assembly
27th District

Occupation: State Assemblymember

Age: 56

I have been honored to represent Santa Cruz County in the State Assembly the past four years. I have moved into the Assembly leadership as Chair of the Budget Committee and as a lead member of the conference committees on the budget and the infrastructure bond package.

As a leader in the Assembly, I have fought to extend health insurance to all California children, roll back community college fees, restore education funding, ensure that California's environmental protection is strong, and give working people a fair shake from state government.

My bills to help first-time homebuyers in Santa Cruz County, extend state civil rights protections, protect agricultural land from urban development, give public transit workers a role in managing their pension funds, expand the number of children in school nutrition programs, and restore community college health services have all been signed into law.

I am particularly proud of the successful bipartisan effort to pass the Laird-Leslie Act, which established the Sierra Nevada Conservancy.

We still must extend health care to all Californians, ensure access to higher education and work together to attack the problem of global warming.

I bring to my job thirty years experience as a mayor, councilmember, community college trustee, congressional assistant, budget analyst, non-profit executive director and community activist.

It is an honor to serve you in the state legislature. I ask for your support - in both the election and with the continuing challenges facing California and the Monterey Bay Area.

Declaración de **JOHN LAIRD**, Candidato para la
Asamblea Estatal
Distrito 27

Ocupación: Asambleísta estatal

Edad: 56

Durante los últimos cuatro años, he tenido el honor de representar al Condado de Santa Cruz ante la Asamblea Estatal. He ingresado en la dirección de la Asamblea como presidente del Comité del Presupuesto y como miembro dirigente de los comités de conferencia sobre el presupuesto y sobre el paquete de bonos para la infraestructura.

Como líder de la Asamblea, he luchado para extender el seguro médico para todos los niños de California, para reducir las colegiaturas de los colegios comunitarios, para restablecer el financiamiento de la educación, para garantizar que la protección ambiental de California sea fuerte y para darles a las personas que trabajan un trato justo con el gobierno estatal.

Mis proyectos de ley para ayudar a las personas que compren su primera residencia en el Condado de Santa Cruz, para extender las protecciones de los derechos civiles en este Estado, para proteger las tierras agrícolas contra la expansión urbana, para concederles a los trabajadores del transporte público influencia en la administración de sus fondos de pensiones, para ampliar el número de programas de nutrición para los niños escolares, y para restaurar los servicios médicos de los colegios universitarios, y todos fueron refrendados y convertidos en ley.

Estoy particularmente orgulloso de la exitosa iniciativa bipartidista para aprobar la Ley Laird-Leslie, la cual estableció la Junta de Protección Ambiental de la Sierra Nevada.

Todavía tenemos que extender el cuidado de la salud a todos los residentes de California, garantizar el acceso a la educación superior y trabajar juntos para acometer el problema del calentamiento del planeta.

Llevo a mi trabajo treinta años de experiencia como alcalde, concejal, miembro del consejo de administración de colegio comunitario, ayudante legislativo, analista de presupuestos, director ejecutivo de una empresa sin fines de lucro y activista en la comunidad.

Es un honor servirle a usted en la legislatura estatal. Le pido su apoyo – tanto en las elecciones como en los constantes asuntos desafiantes que California y el Área de la Bahía tienen que enfrentar. www.johnlaird.org

Statement of **JIM LOGSDON**, Candidate for
Governing Board Member, Trustee Area 1 (Inside City)
Santa Cruz City School District

Occupation: Retired School Superintendent

I am an independent candidate for the Area1 trustee position with the Santa Cruz City Schools. I am not beholden to any candidate slate, parent group or union. I have exceptional qualifications for the position including:

- M.A. and Ph.D. degrees in school administration
- Attendance and participation in almost all SCCS board meetings over the past 10 years
- Thirty years of direct, hands on teaching and administrative experience in California schools
- Contributing member of many SCCS committees; Charter member of the Bond Oversight Committee
- Contributor and volunteer for all school bond and parcel tax measures over the past 10 years
- Unfailing proponent of equity and diversity issues in our schools
- Frequent contributing writer on educational matters in our community newspapers

I am committed to openness and transparency in all school matters. I am convinced that the City Schools can achieve academic excellence for all students. I am keenly aware of and most appreciative of the unparalleled support this community has fostered on our children. I hope to partially repay that generosity and trust by serving as a board member.

Statement of **RACHEL DEWEY THORSETT**, Candidate for
Governing Board Member, Trustee Area 1 (Inside City)
Santa Cruz City School District

Occupation: Associate Adjunct Professor (Astronomy/Astrophysics), UCSC

Education: Public primary/secondary schools; B.A., Physics, Harvard University; Ph.D., Physics, Princeton University

Public schools today face many challenges, but their central mission – providing strong academic programs that enable students to become informed and engaged members of a diverse society– has never been more important. To do this Santa Cruz schools need creative, knowledgeable and realistic leaders who recognize that the community's support for education is a crucial resource.

In my two years on the board, I have worked to focus district decision-making and budgeting squarely on support for students and classrooms, so that all students have access to high quality programs. We have learned to do more with less, but we can do better. Santa Cruz City Schools needs budget reform and true fiscal accountability to ensure that limited tax dollars are used as effectively as possible to increase student achievement.

As a parent, teacher, PTA member, and scientist, I bring to the Board the perspective of an educator with K-12 and college-level experience, the activism of a community volunteer, and the skills needed to understand school finance. I ask for your support and pledge my full commitment to our public schools.

Declaración de **RACHEL DEWEY THORSETT**, Candidata para
Miembro del Consejo de Gobierno, Área de Síndico núm. 1 (Zona a dentro)
Distrito Escolar de la Ciudad de Santa Cruz

Ocupación: Profesora adjunta asociada (Astronomía/Astrofísica), UCSC (Universidad de California de Santa Cruz)

Preparación académica: Escuelas públicas a nivel primario y secundario; licenciatura en Física de la Universidad de Harvard; Doctorado en Física de la Universidad de Princeton

Las escuelas públicas hoy en día se enfrentan con muchos asuntos desafiantes, pero su misión central – ofrecer programas académicos sólidos que permitan que los alumnos lleguen a ser integrantes informados y comprometidos de una sociedad diversa – nunca ha sido más importante. Para lograr esto, las escuelas de Santa Cruz necesitan líderes creativos, informados y realistas que reconozcan que el apoyo comunitario a la educación es un recurso esencial.

En mis dos años en el consejo, he trabajado diligentemente para que las decisiones tomadas por el distrito y la preparación de presupuestos estén enfocadas en el apoyo a los estudiantes y a sus aulas de clases con el objetivo de que todos los alumnos tengan acceso a programas de primera calidad. Hemos aprendido a hacer más con menos esfuerzo, pero podemos mejorar. Las escuelas de la ciudad de Santa Cruz necesitan una reforma presupuestaria y una verdadera responsabilidad fiscal para garantizar que los fondos limitados provenientes de los impuestos se utilicen de la manera más eficaz posible para aumentar los logros académicos de los alumnos.

Como madre, maestra, miembro de la Asociación de Padres y Maestros y científica, llevo al consejo la perspectiva de una educadora con experiencia en los primeros doce años escolares y a nivel universitario, el activismo de una voluntaria comunitaria, y las habilidades necesarias para comprender las finanzas escolares. Le pido su apoyo y prometo comprometerme en cuerpo y alma a nuestras escuelas públicas.

Santa Cruz City School District

Occupation: Attorney

Education: B.A., Politics, UCSC; M.S., Sociology, University of Wisconsin - Madison; J.D., Boalt Hall

We need to build confidence and pride in Santa Cruz City Schools. After years of hard budget choices, we now have an opportunity to reverse the slide in parents' faith in our schools. If elected, I will work to strengthen and restore respect for our public schools.

We need to examine budget priorities, make wise financial choices, and make decisions openly. Our goals must include reducing class sizes at all schools, expanding learning opportunities for students of all abilities, valuing our teachers, and embracing creative solutions.

We need an open and transparent decision-making process, where all voices in our community are welcome and decisions are made after careful and open deliberation.

I am a practicing attorney with over ten years of experience advising governmental agencies. I will use my legal skills and knowledge to help the school board function openly and effectively. As a parent with children in the district for the past eleven years-including elementary, middle and high schools-I am deeply committed to improving our schools. Preparación académica: Licenciatura en Ciencias Políticas, Universidad de California de Santa Cruz; maestría en Sociología, Universidad de Wisconsin – Madison; doctorado en Leyes de Boalt Hall

Necesitamos forjar confianza y orgullo en las escuelas de la ciudad de Santa Cruz. Después de años de difíciles decisiones presupuestarias, ahora tenemos la oportunidad para poner fin al derrumbe en la fe que tienen los padres en nuestras escuelas. Si soy elegida, trabajaré para fortalecer y restablecer el respeto por nuestras escuelas públicas.

Tenemos que examinar las prioridades presupuestarias, elegir prudentemente en los asuntos fiscales, y tomar decisiones abiertamente. Nuestras metas tienen que incluir una reducción en el número de alumnos por salón en todas las escuelas, la ampliación de las oportunidades de aprendizaje para todos los alumnos con distintas habilidades, alta estima para nuestros maestros, y una acogida a las soluciones creativas.

Necesitamos un proceso abierto y transparente para la toma de decisiones, uno que invite la opinión de toda nuestra comunidad y en que todas las decisiones se tomen después de deliberaciones estudiadas y abiertas.

Ejercí como abogada y tengo más de diez años de experiencia en el asesoramiento de las agencias gubernamentales. Usaré mis habilidades y conocimientos legales para ayudar al consejo escolar a funcionar abierta y eficazmente. Como madre de niños que estudian en el distrito, desde hace 11 años, incluyendo la escuela primaria, intermedia y superior, estoy profundamente comprometida a mejorar nuestras escuelas. Le pido su voto para el consejo escolar.

Statement of **MICHAEL ROUTH**, Candidate for
Governing Board Member, Trustee Area 2 (Outside City)
Santa Cruz City School District

Occupation: Incumbent/Retired Educator

Age: 62

If you support an independent voice, decisions reflecting what's best for kids, sustainable class size reductions and academic growth, balanced decisions that preserve the District's financial stability, support for educational programs that serve our Hispanic community, respect for the Trustee's role as policy maker - not day to day manager - and common sense decisions resulting in the best education program the District can afford, then vote for incumbent Michael Routh.

No candidate brings the variety of educational experience I do to the Board of Trustees - 19 years as a classroom teacher grades 4 - 9, 4 years Harbor High Asst. Principal, 5 years SLVJH Principal, 8 years university instructor supervising new teachers, 8 years SCCS District Trustee, 24 years Capitola City Council member.

Statement of **G. RICHARD ARNOLD**, Candidate for
Governing Board Member, Trustee Area 2 (Outside City)
Santa Cruz City School District

Occupation: Businessman

Hidden from the public are outside "directives" that are forced on local school districts.

Unelected multi-nationals have turned our schools into experimental laboratories designed to create malleable, groveling "global citizens" unaware of the unique country in which they grew up. Individualism is replaced with "group think" so students can be "managed" for a lifetime.

The Feds and UNESCO are promoting "Global Classrooms" brainwashing kids into accepting Agenda 21 (sustainable development) a system of total control. This new feudalism is being sold as "regional governance" "smart growth" "compatible communities" and is designed to replace the Constitution with its checks and balances. <http://www.freedom21santacruz.net/site/>

Government-Private Partnerships (fascism) is funded by the same foundations protecting the millions of dollars of the Rockefeller, Panettas, Soros, Gorbachevs, Ford, Packards and Maurice Strongs.

Kids need a good grasp of history, the Constitution, math, business, an appreciation of the arts, ability to compose a correct paragraph. The goal is thinking individuals who will control *their own lives* and not robots programmed to work cheap for the globalist's government-private partnerships.

If you want your kid to be groomed as an individual and not merely a human commodity ... vote for G. Richard Arnold

Statement of **BRUCE JAFFE**, Candidate for
Director
Soquel Creek Water District

Occupation: Research Geologist/Oceanographer **Age:** 51

Water is a precious resource of our community. As a member of the Board of Directors I have worked to protect that resource by (1) enacting an aggressive water conservation program to reduce water usage, (2) developing strategies to minimize the risk of salt water entering our aquifer from the ocean, and (3) decreasing deadly Arsenic in our water by building a state of the art water treatment plant. I will continue to use my technical expertise to develop new and creative approaches to protect our water. My qualifications include:

- *Educated* in sciences related to water (Doctorate in Geology from UCSC, Masters in Geological Oceanography from University of Washington, Bachelors in Earth Sciences from UCSC, 24 years professional experience in Earth Sciences)
- *Active* in the community (25-year resident of mid-County, participates in community groups, knows how water problems relate to local problems and politics)
- *Concerned* that we have an ample safe, clean water supply in the future (father of two, plans on living in mid-County for many years to come)

I appreciate your vote so we can keep the Soquel Water Board on track to ensure clean, fresh water for the future.

Statement of **DANIEL F. KRIEGE**, Candidate for
Director
Soquel Creek Water District

Occupation: Civil Engineer

In the management of our precious water experience definitely counts! My experience in water management, including water supply and water quality, includes careful conservation and the highest concern for our environment. I have been professionally involved in water management for over 35 years. Proper management of our existing water supply with a vision for the future, including fiscal responsibility, is imperative for the Water District. Our water quantity and quality must be adequate to meet our needs. The currently over-drafted ground water supply must be protected from contamination. We need to reduce pumping and create an additional water supply.

As an incumbent member of the Soquel Water District Board of Directors, I have been instrumental in providing sound decisions. My professional career with the Santa Clara Water District as manager of Operations, gave me extensive knowledge in water management. As the former chairperson of the California Water Commission, my experience in state water issues gives me an over-all view of California's water issues, a valuable source of knowledge of state funding for a portion of our supplemental water supply.

Professional consultant in water supply.
Registered Civil Engineer with a Master's Degree.
Vice-president in charge of construction for Habitat for Humanity.

Statement of **DON HOERNSCHEMEYER**, Candidate for
Director
Soquel Creek Water District

Occupation: Research Chemist

During my industrial career I helped develop reverse-osmosis technology for water purification. Best-technology solutions like this are needed more than ever as our community faces serious water quality challenges.

In the past, it was sufficient that board members had a good business sense and an honest heart. However, in our modern world, additional skills like my Ph.D. in chemistry are vital for management of our dwindling natural resources. It will be difficult to move beyond the current crises without advanced skills among the board members.

My qualifications for the Board of Directors include:

- Ph.D. in chemistry and professional experience in solving a wide variety of chemical problems.
- Business experience as a manager of Research and Development, and Quality Assurance in several companies.
- Experienced as a board member in a local church and in the Professional and Technical Consultants Association.
- An 18-year resident in mid-county and active in community projects.
- Dedicated to sustainable water management for ourselves and for future generations.

I want your vote so that I can help the water district continue to develop sound solutions to our water issues.

Statement of **BILL GEISREITER**, Candidate for
Commissioner
Santa Cruz Port District

Occupation: Port Commissioner

The Santa Cruz Port District is a self-sufficient public entity that operates on user fees. Boating fees, parking fees and concession rents provide all harbor income. The administration of the Port District, therefore, requires very careful management of revenues and expenditures. I am proud to say that during my tenure as a commissioner we have added and improved many facilities for the general public and boaters alike.

The harbor is a beautiful resource. There are places where one can walk, jog, bike and generally enjoy the gateway to the Monterey Bay National Marine Sanctuary. The boating facilities are varied – the harbor can accommodate boats in the water and on-land, from kayaks to ocean-going vessels. The harbor is a powerful economic generator for the area and provides over a thousand marine-oriented jobs in the immediate area and generates over \$500,000 every year in tax money to the City and County of Santa Cruz.

It is my personal commitment that the harbor continues to be well managed and an asset to the community. I appreciate your vote so that I will be able to continue to fulfill this commitment.

Statement of **THOMAS C. (TOBY) GODDARD**, Candidate for
Commissioner
Santa Cruz Port District

Occupation: Water Conservation Manager

Age: 50

I have lived in the Santa Cruz area for 32 years and have been actively involved with the harbor and boating community the entire time. My interest in serving on the Port Commission stems from a personal love for the place, its people, its vitality, and its connection to the sea.

My qualifications for the position of Port Director include 20 years of public service in local government and 8 years in the private sector performing oceanographic and water quality research. I have been active in numerous community and civic organizations, including the Santa Cruz City Water Commission, Live Oak School District site council, Mid-County youth soccer club board, and most recently, Leadership Santa Cruz County. My wife is a teacher and we are the parents of 2 young men, both of whom work as lifeguards for State Parks.

As a Port Director, I would devote my time and energy to successfully navigate the financial, regulatory, and maintenance challenges facing the harbor. I would work hard to ensure that the harbor remains a safe, functional, accessible, and viable entity for recreational and commercial users, surrounding businesses, and the general public into the future. Thank you for your consideration and for this opportunity to serve.

Statement of **LOU MATA**, Candidate for
Commissioner
Santa Cruz Port District

Occupation: Aquatic Sports Retailer

Age: 47

Since 1964 the Santa Cruz Yacht Harbor has played host to a diverse range of users including fisherman, visiting boaters, slip renters, kayakers, as well as related businesses. As port commissioner, I have a vision to help ensure the harbor community viability while being sensitive to community concerns for dredging, planning, and growth. My vision of inclusivity would use my diverse contacts of community leaders, mariners, fisherman, and marine technologists to help form a successful means of port management. As a lifelong resident and self-employed contractor, consultant, and water sports retailer, I would use my experience as a businessman and yachtsman towards my office. As an avid harbor user, I'm acquainted either directly or indirectly with the people and businesses there and being inclusive is key to success.

My experiences include;

- Small business owner
- Member Santa Cruz Chamber of Commerce
- Member of the U.S. Coast Guard Auxiliary
- Avid sailor and mariner
- Coached swimming and water polo at local high schools since 1981
- UCSC Regents and Foundation supporter

Statement of **DENNIS (DENNY) L. SMITH**, Candidate for
Commissioner
Santa Cruz Port District

Occupation: Retired Sheriff's Lieutenant/Manager

Age: 57

My 32 years of public service in Santa Cruz County have provided the experience needed to responsibly serve the Port District. Ultimately, however, my qualifications owe just as much to personal history. I was born, raised, and educated here in Santa Cruz, and I've been a boat owner and a harbor user for over 30 years. My sense of connection to Santa Cruz community and the Small Craft Harbor runs deep.

I seek this office as a means to make the most valuable contribution possible to the district. I believe in the need to maintain harbor infrastructure at manageable cost, while making every effort to ensure its future viability. This will require a collaborative effort by the District, the City, the agencies serving the harbor, and the surrounding communities. With my experience, insight, and cooperation, I can help the Port District set realistic goals and plan appropriately for the future.

The economic and ecological health of our gateway to the Monterey Bay Sanctuary is of the greatest importance to everyone in the region. Responsible stewardship is our duty – for the present and for generations to follow.

Vote for Traditional Santa Cruz Values.

As a second generation Italian-American & fisherman, I share the special relationship with the Sea and our Coastland. This enduring relationship between the People of Santa Cruz County and their coastal border is priceless. With your vote of support, I will protect this bond.
