## STATE LEGISLATIVE CANDIDATES' STATEMENTS OF QUALIFICATIONS

The following pages may not contain a complete list of candidates. A complete list of candidates appears on the Sample Ballot. Pursuant to Government Code Section 85601(c), only a candidate who accepts voluntary expenditure limits may purchase space for a statement.

Statement of **JOHN LAIRD**, Candidate for  
State Assembly  
27th District

**Occupation:** State Assemblymember

**Age:** 56

I have been honored to represent Santa Cruz County in the State Assembly the past four years. I have moved into the Assembly leadership as Chair of the Budget Committee and as a lead member of the conference committees on the budget and the infrastructure bond package.

As a leader in the Assembly, I have fought to extend health insurance to all California children, roll back community college fees, restore education funding, ensure that California's environmental protection is strong, and give working people a fair shake from state government.

My bills to help first-time homebuyers in Santa Cruz County, extend state civil rights protections, protect agricultural land from urban development, give public transit workers a role in managing their pension funds, expand the number of children in school nutrition programs, and restore community college health services have all been signed into law.

I am particularly proud of the successful bipartisan effort to pass the Laird-Leslie Act, which established the Sierra Nevada Conservancy.

We still must extend health care to all Californians, ensure access to higher education and work together to attack the problem of global warming.

I bring to my job thirty years experience as a mayor, councilmember, community college trustee, congressional assistant, budget analyst, non-profit executive director and community activist.

It is an honor to serve you in the state legislature. I ask for your support - in both the election and with the continuing challenges facing California and the Monterey Bay Area.

Declaración de **JOHN LAIRD**, Candidato para la  
Asamblea Estatal  
Distrito 27

**Ocupación:** Asambleísta estatal

**Edad:** 56

Durante los últimos cuatro años, he tenido el honor de representar al Condado de Santa Cruz ante la Asamblea Estatal. He ingresado en la dirección de la Asamblea como presidente del Comité del Presupuesto y como miembro dirigente de los comités de conferencia sobre el presupuesto y sobre el paquete de bonos para la infraestructura.

Como líder de la Asamblea, he luchado para extender el seguro médico para todos los niños de California, para reducir las colegiaturas de los colegios comunitarios, para restablecer el financiamiento de la educación, para garantizar que la protección ambiental de California sea fuerte y para darles a las personas que trabajan un trato justo con el gobierno estatal.

Mis proyectos de ley para ayudar a las personas que compren su primera residencia en el Condado de Santa Cruz, para extender las protecciones de los derechos civiles en este Estado, para proteger las tierras agrícolas contra la expansión urbana, para concederles a los trabajadores del transporte público influencia en la administración de sus fondos de pensiones, para ampliar el número de programas de nutrición para los niños escolares, y para restaurar los servicios médicos de los colegios universitarios, y todos fueron refrendados y convertidos en ley.

Estoy particularmente orgulloso de la exitosa iniciativa bipartidista para aprobar la Ley Laird-Leslie, la cual estableció la Junta de Protección Ambiental de la Sierra Nevada.

Todavía tenemos que extender el cuidado de la salud a todos los residentes de California, garantizar el acceso a la educación superior y trabajar juntos para acometer el problema del calentamiento del planeta.

Llevo a mi trabajo treinta años de experiencia como alcalde, concejal, miembro del consejo de administración de colegio comunitario, ayudante legislativo, analista de presupuestos, director ejecutivo de una empresa sin fines de lucro y activista en la comunidad.

Es un honor servirle a usted en la legislatura estatal. Le pido su apoyo – tanto en las elecciones como en los constantes asuntos desafiantes que California y el Área de la Bahía tienen que enfrentar. [www.johnlaird.org](http://www.johnlaird.org)

Statement of **JUAN G. ESCAMILLA**, Candidate for  
Governing Board Member, Trustee Area 6  
Cabrillo Community College District

**Occupation:** Local Business Owner/Parent

**Age:** 48

*Hard Work with Straight Talk.*

I am your candidate for Cabrillo College Board. Many of our young people are not properly prepared to enter our local workforce. With your vote, you will help me fix this problem.

I'm a "hands-on" guy who is in the trenches working hard for the American Dream everyday. Cabrillo College should exist to better prepare our students for vocational trades and good jobs. This will be my Primary Mission on the Governing Board.

Information about me is an open book. My family has lived in Santa Cruz County for over 40 years. My wife and I own and operate small businesses in Aptos Village. You can talk with me anytime by visiting any of my 3 Wilson's Tires locations.

Many voters know about Cabrillo College, but don't know their elected Cabrillo Board Members. My candidacy changes that.

*I'm the only candidate in this race to submit a written statement of my views on how to better represent you.* The incumbent's silence speaks volumes. My campaign is supported by the Senior Coalition, and current School Board Presidents of the Pajaro and Soquel School Districts. I ask for your vote as well.

Statement of **SHARON GRAY**, Candidate for  
Governing Board Member, Trustee Area 7  
Pajaro Valley Unified School District

**Occupation:** Incumbent School Board Member / Teacher

It has been a privilege to serve as your elected Member on the Pajaro Valley School Board for the past 12 years. Our Board of Trustees has worked diligently to insure that all school children receive the best possible education.

We have been especially blessed with the stellar success of our students in the PVUSD North Zone: Rio Del Mar, Aptos/Seacliff and La Selva Beach. The students and staff at the Elementary schools deserve to be proud of their excellence in achievement. They were recently honored at both the State & Federal levels.

I'm asking the voters for a final term to accomplish the following:

- Finish shepherding the AHS Bond Construction Project
- Prepare our Secondary schools (grades 7-12) for even greater student achievement and college acceptance
- Implement a special — "North Zone School Calendar" which better reflects the needs of our parents & kids
- Complete our District's important compliance work with the State Committee on Teacher Credentialing as the official School Trustee appointee of the Governor

I pledge to serve you with continued energetic involvement and unwavering commitment for the education of our local children.

I would appreciate your vote again on Election Day. Thank you.

Statement of **JOHN BROUGH**, Candidate for  
Governing Board Member, Trustee Area 7  
Pajaro Valley Unified School District

**Occupation:** Environmental Health & Safety Educator

**Age:** 45

The next generation of students will live in an ever-shrinking world requiring new and more complex skill sets to survive. It's not so simple as mastering "The 3 R's" and having well-meaning community leaders pledging to work together for "Good Schools." My extensive personal & multi-cultural business experience has proven otherwise.

As Trustee, I will advocate for bilingualism (with English Language emphasis) in our Elementary classrooms. It is true that our local schools have won many prestigious awards. Students, parents, teachers and School Board Members must be commended. However, there should always be an opportunity for improvement when striving for educational excellence.

Outstanding Student achievement is not just measured through "cookie-cutter" methods of standardized testing. Diversity of curriculum prepares our youth for survival and eventual success in an increasingly growing Global Economy. Independent thinking must be stimulated and nurtured within each student.

Sustainable communities begin with preparing future leaders to become good stewards of the Environment we all share. Teachers need to be paid better to accomplish these lofty goals. When elected, I will support living wages for our School Employees. Please Remember...

If we are together, kids will succeed. I respectfully ask for your vote.

3067-001

Declaración de **JOHN BROUGH**, Candidato para  
Miembro del Consejo de Gobierno, Área de Síndico núm. 7  
Distrito Escolar Unificado de Pájaro Valley

**Ocupación:** Educador en salud y seguridad ambientales

**Edad:** 45

La próxima generación de alumnos vivirá en un mundo cada vez más pequeño que requerirá conjuntos de habilidades nuevos y más complicados para sobrevivir. No es tan fácil como estudiar las materias "básicas" y tener líderes comunitarios con buenas intenciones que prometan trabajar juntos para "buenas escuelas". Mi vasta experiencia personal y experiencia multicultural en el comercio me han demostrado lo contrario.

Como Síndico, abogaré por un ambiente bilingüe (acentuando el idioma inglés) en nuestras escuelas primarias. Es cierto que nuestras escuelas locales han obtenido muchos premios prestigiosos. Es preciso felicitar a los alumnos, a los padres, a los maestros y a los integrantes del consejo escolar. Sin embargo, cuando se hace esfuerzos por la excelencia en la educación siempre debe haber lugar para mejoras.

Un desempeño escolar sobresaliente no puede ser medido solamente por métodos preestablecidos en exámenes normalizados. La diversidad del programa académico prepara a nuestros jóvenes para sobrevivir y más adelante tener éxito en una economía global que sigue creciendo. Es preciso estimular y cultivar el pensamiento independiente de cada uno de los alumnos.

Para establecer una comunidad sostenible el primer paso consiste en preparar a los líderes del futuro a cuidar bien el medio ambiente que todos compartimos. Para poder realizar estas metas elevadas hay que aumentar los sueldos de los maestros. Cuando sea elegido, abogaré por salarios dignos para los empleados de nuestras escuelas. Por favor, recuerde...

Si nos juntamos, los niños tendrán éxito. Le pido respetuosamente su voto.

I believe we owe our students a creative and challenging curriculum that engages each one of them. Como alumna orgullosa de haber estudiado en las escuelas del PVUSD, como maestra en el distrito por 15 años, y como dueña de una empresa en el Condado de Santa Cruz, creo firmemente que una educación pública es la verdadera piedra angular de nuestra comunidad. Voy a concentrarme en ofrecer experiencias educativas dinámicas para todos los alumnos, ya sea si opten por una institución universitaria o una educación vocacional. Yo sí sé que tenemos muchos asuntos desafiantes en nuestro distrito, pero creo que es sumamente esencial que respondamos con igualdad a las necesidades educativas de nuestros alumnos. Estoy entregada a obedecer las reglas de gobierno interno de la Asociación de Consejos Escolares de California, y trabajaré con tesón para garantizar que atraeremos dirección fuerte, y que retendremos los mejores maestros y empleados posibles. Devolveré la integridad y la honradez al PVUSD, mediante la comunicación abierta y el trabajo en equipo. Las escuelas del sector de Aptos necesitan representación vigorosa a nivel de distrito – yo seré esa voz.
