Updated August 2015

This guide was developed in an effort to provide answers to questions frequently asked by governing bodies regarding how to place a measure on the ballot. It is for general information only and does not have the force and effect of law, regulation or rule. In case of conflict, the law, regulation or rule will apply. Persons using this guide must bear full responsibility to make their own determinations as to all legal standards and duties.

What County Elections needs from your governing body:

1. The Resolution to Call the Election and Consolidate

Districts and Cities: Submit a "Resolution Requesting Consolidation of Election and Ordering of Such Election" along with the "Notice to County Clerk of Measure Submitted to the Voters."

County: Submit a "Resolution Requesting Consolidation of Election and Ordering of Such Election."

Schools: Submit the "Resolution Ordering Election, Specifications of the Election Order, and Requesting Consolidation" along with the "Notice to County Clerk of Measure Submitted to the Voters."

Refer to the Administrative Calendar "Attachment A" for Deadlines.

2. The Measure Text

We need clear instructions on what portion of the resolution or ordinance is considered the Full Text of the Ballot Measure to be printed in the Voter's Information Pamphlet for voters. There is no limit on the number of words that can be printed.

If you do not want any measure text printed in the Voter's Information Pamphlet, please provide this direction in writing within the resolution. In this case, instead of measure text, after the analysis of the measure, voters will be directed to contact the Elections Department for a copy of the text of the measure. Jurisdictions will be billed for costs.

3. The 75-Word Ballot Question

A ballot questions must be no more than 75 words (Elections Code §13247 & 9051). See next page on "How to Count Words."

Jurisdictions may want to consider beginning their ballot question with a few key summary words to summarize the measure. The words will count toward the 75-word limit. See examples on Page 5.

Measures are followed by the words "YES" and "NO."

School bond measures are followed by the words: "Bonds--Yes," "Bonds-- No." (Ed. Code §15122)

School reorganization measures are followed by the words: "Reorganization of School Districts - Yes" and "Reorganization of School Districts -- No." Similar words may be used. (Ed. Code §35762)

Assigning Letters to Measures

Measures will be assigned letters by the elections official in alphabetical order, starting with the next letter following the previous election. The order measures appear on the ballot is as follows:

- County Board of Education
- College
- Unified Schools
- High Schools
- Elementary Schools
- County
- Cities
- Districts

In order to allow for the most efficient use of space, the county elections official may vary the order of the measures. (Elections Code §13109)

Measures will be assigned through Z, or as close to the end of the alphabet as possible to accommodate all measures filed for the current election. For example, if the previous election ended with measure V, and five measures are on the next ballot, the measures will be assigned A, B, C, D, E rather than W, X, Y, Z, A.

The elections official may commence designating local measures with any letter of the alphabet following letter "A" and continuing alphabetically, in order to avoid voter confusion that might result from different local measures carrying the same letter designation in successive elections. (Elections Code §13116)

For districts that overlap into other counties, the counties will mutually agree to use a letter designation for the measure that will not conflict or confuse the voter.

Arguments for or against ballot measures

The County Elections Official will prepare and publish a legal notice of the measure including deadlines to file arguments for or against the measure. The County Elections Official will also do news release announcing the measures on the ballot and deadlines for filing arguments. Information will also be posted on the Elections website at www.votescount.com

If more than one argument is submitted, the elections official will select one argument based on the following preference: 1) the governing body or members thereof, 2) an individual voter, bona fide association of citizens who are sponsors or proponents of the measure, 3) bona fide association of citizens, and 4) individual voters eligible to vote on the measure. (Elections Code §9166, 9287, and 9503)

All arguments and rebuttals must be filed with the Signature Statement provided by the county elections official. Obtain the manual "A Guide to Writing Arguments" from the Elections Department if you are planning on submitting an argument. Arguments are limited to 300 words.

Other Ballot Materials

If arguments in favor and against are submitted, filers will have the opportunity to submit rebuttals. Rebuttals are limited to 250 words.

An impartial analysis will be submitted by county counsel or the city attorney, whichever is applicable.

Bond measures require a tax rate statement to be filed by the 88th day before the election. A fiscal impact statement may also be ordered.
