Worked with the City Council and Staff to make budget changes so the public is fully informed on how their money is being spent. Worked with the City Staff and Council developing a two year budget cycle and a five year Financial Plan.

All of us, the Council, Finance Committee, City Staff and I worked together so that there would be no conflict when the final spending plans were put together. We can accomplish much more working together than we can with separate agendas. I look forward to continuing to serve you as the City Treasurer.
