It's three simple steps you can complete in one visit:

1. You **register** to vote
2. You **vote**
3. You **seal** your ballot in a special envelope and **sign** the envelope

Your vote will be counted after elections officials verify your voter registration and confirm you have not already voted in this election. You can check if your ballot was counted and, if not, why not.
After the election, visit **www.votescount.com** or call 831-454-2060 to check the status of your ballot.
